

NAME

ximizezcli — Disk Inquisitor Command Line Interface

SYNOPSIS

ximizezcli [*options*] **folder**

DESCRIPTION

This manual page documents briefly the **ximizezcli** tool.

ximizezcli enables you to take snapshots of disk usage for a given folder, in order to analyze them later with the **ximizez** GUI.

DEPENDENCIES

ximizezcli depends on **python** (at least version 2.4). You don't have to worry about dependencies when using a distribution specific package (DEB, RPM etc.).

OPTIONS

Please run **ximizezcli** without any arguments to see the list of options available.

FILES

/etc/ximizezcli/translations.utf-8.txt

Some texts to be used (**ximizezcli** is "english-only" though).

SEE ALSO

ximizez (1)
